

## With Hearts Full of Praises

D                      A/C#                      Bm                      G  
With hearts full of praises, there stand a great throng  
D                      A/C#                      Bm                      G  
In the presence of Jesus, and sing this new song:  
G                      D/F#                      Em7                      Bm  
Unto him who hath loved us and washed us from sin,  
G                      D/F#                      A                      D  
Unto him be the glory forever. Amen.

All we once were sinners, despised in his sight,  
Now arrayed in pure garments in praise we unite:  
Unto him who hath loved us and washed us from sin,  
Unto him be the glory forever. Amen.

He maketh the rebel a priest and a king,  
He hath bought us and taught us this new song to sing:  
Unto him who hath loved us and washed us from sin,  
Unto him be the glory forever. Amen.

How helpless and hopeless we sinners had been,  
If he never had loved us till cleansed from our sin:

G                      D/F#                      Em                      Bm  
Unto him who hath loved us and washed us from sin  
G                      D/F#                      A                      Bm  
[Bridge] Unto him be the glory forever. Amen.  
G                      D/F#                      Em                      Bm  
Unto him who hath loved us and washed us from sin  
G                      D/F#                      A                      D  
Unto him be the glory forever. Amen.

Aloud in his praises our voices shall ring,  
So that others, believing, this new song shall sing:

G D/F# Em Bm  
Unto him who hath loved us and washed us from sin

G D/F# A Bm  
[Bridge] Unto him be the glory forever. Amen.

G D/F# Em Bm  
Unto him who hath loved us and washed us from sin

G D/F# A D  
Unto him be the glory forever. Amen.
